

**Braemar ACM Shipbroking Ltd** is expanding its well-established Renewables Shipbroking Desk. We are hiring for the position of **Renewables Shipbroker** in multiple offices worldwide.

The successful applicant will come from a renewables background, having either worked client side, at an owner or as a shipbroker. As part of a young, vibrant and successful team the applicant must have a strong desire to succeed and should be capable of working both autonomously and with colleagues. Whilst we are looking for a minimum of 2 years' experience, those who would fit a more senior role are part of our expansion plans will also be considered.

Ideal candidates will have:

- Minimum 2 years' experience in the offshore wind industry, preferably on the vessel side
- A strong commercial mindset
- Client facing experience
- Broking experience is preferred but not essential
- English speaking is essential with additional languages to be viewed favourably
- Ability to travel internationally as necessary

This is a fantastic opportunity to join a highly experienced, dynamic and expanding team where success is rewarded with both financial compensation and career progression. You will be an integral part of the team contributing to the overall business growth.

For the right candidate we can offer the opportunity to work in **London, Aberdeen, Hamburg, Houston** and **Singapore**.

Braemar ACM Shipbroking is one of the largest chartering and sale and purchase shipbroking companies in the world and is part of the Braemar Shipping Services PLC with over 500 employees globally.

Kindly submit a cover letter and CV via [apply.renewables@braemar.com](mailto:apply.renewables@braemar.com) for consideration.
