

Leonhardt & Blumberg – Your chance to become part of a globally recognized Shipping Company!

Since our founding in 1903, Leonhardt & Blumberg has been a leading shipping company known for its expertise in chartering, technical operations, equipment, seafaring personnel, insurance, finance and newbuilds. With a modern fleet of over 30 vessels in the tanker, container and short-sea segments, we operate globally. Our crew of around 900 seafarers and 70 shore-based staff represent reliability, experience, safety, innovation and passion—values that form the foundation of our close partnerships and long-term collaboration with employees and business partners.

We are looking for a

Junior Technical Superintendent (m/f/d)

who's passionate about the technical management of container and multipurpose vessels.

This position is ideal for candidates with a seagoing background who wish to develop their careers ashore in ship management, as well as for applicants with other relevant experience in technical management or maritime industry.

Key Responsibilities

- Ensure proper engine and electrical maintenance on assigned vessels
- Organize and follow up on service, repair and technical inspections
- Troubleshoot engine problems and coordinate necessary corrective actions
- Maintain active correspondence with makers, classification societies and charterers
- Monitor and develop the Planned Maintenance System (PMS) across the fleet
- Evaluate engine performance data, HFO analyses and oil samples
- Review and update Safety Organization (SO) systems for all vessels
- Control and monitor budgets in cooperation with the Fleetmanager
- Approve quotations and process invoices
- Assist in budgeting for assigned vessels
- Conduct shipside inspections, drydockings, classification meetings and attend makers workshops

Your Profile

- Marine Engineering degree or equivalent technical qualification
- Preferably seagoing experience as an Engineer Officer or comparable technical background
- Strong analytical and organizational skills
- Confident communicator in English (both written and spoken)
- Proficient in MS Office, experience with PMS systems and technical reporting preferred
- Team player with a proactive hands-on approach

What we offer

- Professional development and **on-the-job learning**
- A **diverse and responsible range of tasks** in a dynamic environment with flat hierarchies and high transparency
- A **modern and well-equipped workplace** overlooking the River Elbe, surrounded by a maritime atmosphere
- Performance-based compensation and **flexible working hours**
- **Attractive social benefits**, including public transport ticket, options for company pension and disability insurance and bike leasing program

If you identify with the above requirements and are looking for a new challenge as part of the crew of a long-established shipping company, we look forward to receiving your application.

How to apply

Please send your complete application documents – including your earliest possible starting date und salary expectations – by mail to bewerbung@leonhardt-blumberg.com.
